

## **Client Services Analyst/Property Management Services – South Perth WA**

We are currently seeking an experienced property professional with Property Management and Trust Accounting skills for our South Perth - WA office. Are you seeking variety and enjoy providing excellent customer service? Do you want to join the best support team in the industry?

Rockend is widely recognised for the quality of our product, people and support. Key to our business success is delivering effective support to clients located throughout Australia and New Zealand.

### **To be successful in this role it is essential that you have:**

- Strong property management and/or trust accounting experience
- Knowledge of property management software, preferably REST Professional would be highly regarded
- Excellent customer service skills and the ability to deliver the best experience to our clients – both over the phone and face to face, as you will be conducting classroom training
- Strong communication skills - both written and verbal
- Proven problem solving skills – think outside the square
- Strong team spirit and positive attitude is a must!

### **Why work for Rockend?**

- Competitive salary
- Modern offices, dynamic, supportive team environment, fun and friendly!
- Ongoing training and professional development
- Flexible working conditions – Monday to Friday (Full Time) Permanent
- Loads of opportunity to build your career
